**TASTE**

Sketch Marketing will ensure to keep inline with the tradition and taste of your wine brands.

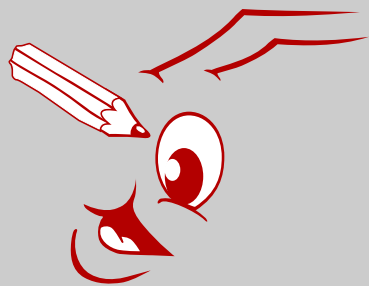

Wine is a culture. From the harvesting, to the cellar, upto the table. To capture this special moments is an experience most would only dream of. Not merely for the social status, but capture pleasurable moments in the minds of your consumers.

A journey that begins from one sip is desirably captured through art. The simplicity of the labelling and choice of tyefaces linger with tradition and age of the wine. Giving it more value as well as a cultural essence.

Bring out the best of what your wine can offer on the table by reaching out to your clientele before they even consume it. Allow your clientele to tantalize those taste buds without looking at the price tag on the bottle.

Thus Sketch Marketing is here to bridge that gap from the vineyard to the table of your consumers. Whereas boosting your sales impact in a competitive industry with a variety of alcoholic brands to choose from. One must find that niche in the market to serve to the table way from the journey in the cellar.

Wine is a religiously consumed beverage which can intercept capabilities in the alcohol industry. It is prudent to map out a simplistic yet traditional value as a stamp of measure to mirror the vineyard as well as ingredients that have manufactured it.

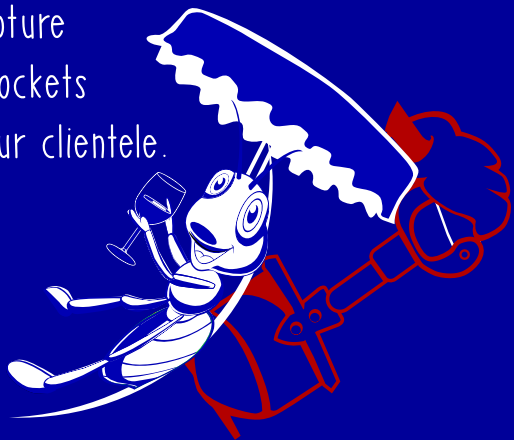

# WHY PICK UP THE SHOVEL WITH US?

We at Sketch, will creatively intercept your clientele's taste buds as we take them on a mirage tour of your vineyard and captivate with the aroma of your cellar.

Our human resource team is knowledgeable on wine in various capacities, while possessing capacity in captivating the rhythm of taste buds artistically.

The sound of uuhm, ooohm, naturally echoes of a well meditated, nourished tongue and laughter which graciously and joyously blend.

Our art can bring out your vineyard to capture the pockets of your clientele.
